

Federal income tax withholding—changes you should know about

What's new

The Internal Revenue Service (IRS) has updated the Form W-4P, Withholding Certificate for Pension or Annuity Payments.

Our insurance companies (collectively, the Company) are working on making the IRS updates on our annuity applications. Until that work is complete, we ask that you follow the directions below under “Action Required of You” when completing the Federal Withholding section of the annuity application.

Note: the Company cannot provide tax or legal advice—and this communication is not intended to be either tax or legal advice.

Action Required of You

So that we can properly process your federal withholding election, please do one of the following, depending on your choice, when you reach the Federal Withholding section of the annuity application:

- *If you are electing **specific withholding**, use the actual IRS Form W-4P.* Please **do not** complete the Federal Withholding election section on the attached annuity application. The new IRS Form W-4P (year 2022 or later) is required. You can obtain the form at www.irs.gov. Please complete it and submit it with your annuity application.
 - **Important Note:** If you are electing to withhold federal taxes and a completed 2022 (or later) Form W-4P is not submitted along with the annuity application, then we will use the default withholding of single with no adjustments.
- *If you are electing **no withholding**, simply* elect “Do Not Withhold...” in the attached annuity application’s Federal Withholding election section. You do not have to use the new IRS Form W-4P if you have opted out of having federal taxes withheld.

State Withholding Elections

Please provide your [state withholding election](#) on the annuity application and, if applicable, the appropriate state specific withholding form.

Please consult your tax advisor for any tax-related questions.

If you have further questions, please contact us using the phone number listed on the Annuity Application.
